Bitti

Bitti

07 — 08 SEPTEMBER

ALONG THE WINDING OF VARIOUS TRAILS, IN THE TERRITORY OF BITTI YOU CAN ENJOY LUSH FORESTS, AMAZING LANDSCAPES NESTLED BETWEEN MAJESTIC GRANITE PEAKS AND ENCHANTING WATERY VIEWS OF WATERFALLS AND PONDS.

A warm and welcoming place rich in history, chosen by the Nuragic civilisation to build one of the most important archaeological emergences of the whole Island, the Nuragic village of *Su Romanzesu*.

Bitti is also famous all over the island for the mastery of the polyphonic folk singers that pass on the ancient art of the **Canto a tenore**, recognized “**Intangible Heritage of the Humanity**” by the UNESCO. You can learn more of this important tradition in the Multimedia Museum where you can enjoy the most famous compositions from all over Sardinia.

In Bitti you can also enjoy the precious craftsmanship, that combines tradition and innovation, just paying a visit to the many craft workshops of pottery, wrought iron, leather, wood, marquetry and embroidery along the village.
